

CALL : International Hybrid Artistic Residency

“Planet Earth: 1 Curator & 1 Video artist”

Intl Artists Residency Overview

The *Planet Earth: Curation & Video Production Residency* invites emerging and established artists, curators, and media practitioners to explore humanity’s relationship with the planet through moving image, storytelling, and curatorial practice.

Residents will engage with ecological, social, and philosophical questions about the Earth’s future, culminating in a curated exhibition and short video essay series.

Residency Goals

- Foster artistic reflection on environmental awareness and planetary interdependence.
- Support cross-disciplinary creation that merges visual arts, curation, and video.
- Encourage innovative storytelling formats that bridge art, science, and culture.

Duration: 4 weeks (in-person and/or hybrid) — [from October to November]

Location: [Nicosia Cyprus – ARTOS HOUSE]

Eligibility

- Open to INTERNATIONAL artists, curators, and researchers aged 21+.
- Experience in curation, film making, or media arts encouraged.
- Collaborative and research-oriented mindset encouraged

Provided

- Studio/workspace access
- Production support and equipment
- Curatorial mentorship
- Accommodation
- Plane Ticket and per diem
- Artistic fee

Application Requirements
